Haiti Teen Challenge Announces Its New Executive Director

Haiti Teen Challenge is excited and proud to announce that Julio Volcy will begin serving as its Executive Director in Port-au-Prince on or about August 1st! Starting when he was a teenager, Julio has long felt God has called him to equip the younger generation of Haitian nationals with the tools to empower them to make better decisions and to be successful leaders within their respective communities.

Julio's Haitian roots run deep, as he was born and raised there. He left the country in his late teens to complete his education in the United States. He earned his PhD degree and is presently serving as pastor of the Haitian Ministry Church in Bradenton, FL. He has the required ability, knowledge and expertise to lead Haiti Teen Challenge as a result of his work in the Haitian community as a pastor, mentor, consultant, and leadership trainer. Having lived in both Haiti and the US, he brings a very strong cross-cultural understanding to HTC.

Julio relates very well with young men. They listen to his instruction because his teaching is a mirror image of the way he lives his life. It is WHO HE IS and WHAT HE DOES! Young men look up to him as a successful, caring and loving man, all of which provide him with needed credibility as an educated Haitian pastor who is returning to rebuild his nation, his home.

Julio is a foundation builder. He is undeterred by challenges, and he tenaciously completes the work he begins. He is also a coach and team developer. He has been involved in practical "on the ground" equipping for many years. Julio, who founded Hope Outreach International in 1997, has been in Haiti since the earthquake working with US partners to distribute food, tents, clothing and medical supplies.

He and his wife, Suzette, are the proud parents of three beautiful children; Julionn, Jyathniel, Joy and they are all looking forward to returning to their home in Haiti. Julio and Suzette are a solid, settled team, working together as one with family, ministry, parenting and leadership.

Please come and meet Julio Volcy on October 13th and hear more about what is happening "on the ground" with Haiti Teen Challenge!
